Public Comment

Ron Casper gave an update on mining and information Wisconsin Town's Association has available.

Patrolman's Report

- 2 culverts need to be replaced - Burnette Rd and Joos Rd.-discussed flowage
- Roden Rd culvert needs work
- Discussed Alma Center Road intersection - no response from state yet.
Richard made the motion to replace all 4 culverts. Bill seconded. Carried.
- Need to contact Chandler for excavation.
- Need to find fill sand - Casper
- Town truck door - discussed replacing or fixing.
Richard made the motion to replace due to truck being new. Bill seconded. Carried.

Old Business

Board of Review training will be scheduled for Wednesday, May 16 at 6:30 p.m. at Leis residence.

New Business

Discussed whether to continue plowing driveways. There have been many issues/accidents/complaints this past season and the driver is retiring. Liability is another big issue. Richard made the motion to discontinue offering the service of plowing driveways. Bill seconded. Carried. Kathy is to run an ad in the next two shoppers as notification that driveway snow plowing will no longer be offered by the township.

5-year Road Plan was discussed. Culvert capping from last year's storm needs to be done. We will need a proposal before a decision can be made. Discussed some of the costs of pulverizing, gravel costs, etc. Richard suggested calling a special meeting once all proposals have been received and township available dollars to make a decision.

Bills and payments were reviewed.

Next meeting set for Friday, June 1, 2018, at 10 a.m. Same day as Board of Review. Notices and publication have already been done.

Kathy Leis, Clerk
